Dr Jane Goodall's National Luncheons

The woman who redefined man, defines leadership

AGSM Executive Programs, in partnership with the Jane Goodall Institute of Australia, is delighted to offer you a rare opportunity to share Dr Goodall's unique insight into human organisational behaviour based on her life study of chimpanzees in the jungles of Africa.

Dr Goodall will be joined by Andrew O'Keeffe who works with organizations to design leadership strategies by consciously leveraging the power of human instincts. This stimulating presentation is a must for business executives who are curious about what drives behavior in their organization and who want to benefit from the lessons of our evolutionary past.
